Outreach session

South Eastern European Dialogue on Internet Governance

SEEDIG Outreach Session

Tuesday, 23 October | 10:30 - 12:00 | Room 127/128

The Executive Committee of the South Eastern European Dialogue on Internet Governance (SEEDIG) invites you to an outreach session during the ICANN63 meeting. The session is open to the Internet community in South Eastern Europe and the neighbouring area (SEE+), to SEEDIG's partners and supporting organisations, and to anyone else interested in our work.

The agenda will include:

- An overview of SEEDIG and its work over the past four years
- Updates on the planning process for the SEEDIG 2019 meeting and on current and planned intersessional activities
- Discussions on how SEEDIG could better contribute to the digital advancement of the SEE+ region
- Brainstorming on ways and means to strengthen the SEEDIG community and expand its network of partners
- Open debates on the future of SEEDIG

If you are not in Barcelona, you can [join us online](#).

SEEDIG is an initiative dedicated to facilitating multistakeholder dialogue and cooperation in addressing issues related to the use, evolution and governance of the Internet and other digital technologies across South Eastern Europe and the neighbouring area.
