Online Meeting II
12 June 2020

Agenda

Intro to IG

Going through quiz answers

Q&A

What to expect and how to navigate the online course?

South Eastern Dialogue on Internet Governance - SEEDIG

is a sub-regional IGF initiative working on:

- Facilitating open, inclusive and multistakeholder discussions, exchanges, and collaboration on Internet issues
- Fostering capacity development in Internet governance and digital policy
- Strengthening linkages between regional issues and actors and pan-European and global Internet

What is Internet Governance?

Tunis Agenda for the Information Society, 2005 defnition

"Internet governance is the **development and application** by **governments, the private sector and civil society**, in their respective roles, of **shared principles, norms, rules, decision-making procedures, and programmes** that shape the evolution and use of the Internet."
